12 – 3 PM – Student Association Club Showcase

Student Union, 3rd and 4th Floor

Join the Student Association and various clubs and organizations on the newly renovated space in the Student Union to learn about all the opportunities to get involved.

1 PM – Transfer Student Ready...Support for Your Journey

Student Union, room 402

Learn about our early transfer credit review for clear degree planning, major specific guidance before orientation and our programs and resources for transfer students.

1 PM – AC² Information Session

Student Union, room 409

The goal of the AC² Program is to increase the number of economically disadvantaged students and others who are pursuing professional licensure and careers in science, technology, engineering, and mathematics (STEM), and health-related fields

1:30 PM - Life Outside the Classroom Presentation

Student Union, room 62/63

Meet with staff and student leaders in the Division of Student Affairs to learn about the student experience beyond the classroom.

1:30 & 2:30 PM- Sustainability Education & Action Across Academics

Student Union, room 401

Meet sustainability educators from across all five academic schools and learn about the ways sustainability uniquely manifests in education in action, experiential learning, and student leadership.

1:30 PM - Health Career Information Session

Student Union, room 408

Learn about campus health care advising for students interested in medicine, physician assistant, athletic training, dental school and physical therapy careers.

2:30 PM - Educational Opportunity Program Presentation

Student Union, room 62/63

The Educational Opportunity Program will provide information on the comprehensive student support services that are provided to students admitted through the Educational Opportunity Program. We will highlight key components of the Summer Enrichment Institute and the structured EOP First Year Experience, along with general information on the EOP financial aid package.

2:30 PM –Scholars’ Mentorship Program Presentation

Student Union, room 409

The Scholars’ Mentorship Program is a networking program for talented and high achieving general admission students. The session will allow for questions and answers with faculty and staff of the Scholars’ Mentorship Program.

1:15 PM - John R. Kirk Planetarium show

Coykendall Science Building

Please reserve your spot when you arrive to attend the planetarium show. Space is limited.
