## 2024-2025 Housing Plan Survey

**Student Name:** \_\_\_\_\_ **New Paltz ID #:** \_\_\_\_\_

In prior years, the FAFSA typically requested information regarding students' housing plans for the academic year, which is one of several factors used to determine students' cost of attendance. The 2024-2025 FAFSA will no longer request housing information from students. In most cases, other available information will be sufficient to calculate a student's cost of attendance. However, if your anticipated housing plans for the 2024-2025 academic year falls into one of the indicated scenarios, please complete and return this form to the Office of Student Financial Services to have your cost of attendance reviewed.

**Submit this form ONLY if one of the indicated housing scenarios applies to you during the 2024-2025 academic year. Failure to submit this form will NOT result in any delays processing your aid package.**
