

## 2026-2027 WINTER AID REQUEST FORM

### *Financial Aid Options*

**December 26, 2025 – January 16, 2026**

Students may submit this form to the Office of Student Financial Services to request a review of their 2025-2026 financial aid package.

- Students who already accepted their full federal loan eligibility for the 2025-2026 academic year will likely need to pay out of pocket for Winter Session.
- Students who declined or accepted a portion of their loans may have remaining loan eligibility that can be used to reimburse themselves for Winter Session expenses. Payment arrangements for winter expenses must first be made with the Office of Student Accounts.
- **When you request additional funding for winter expenses, in most cases, you are still required to pay out of pocket with the Office of Student Accounts for your winter term. You may then use the additional funding to reimburse yourself once the financial aid has been disbursed and refunded to you during the spring semester.**
- Private alternative loans are also an option for many students. See our website for more information regarding alternative loan options:  
<https://www.newpaltz.edu/financialaid/altfunding.html>
- Non-matriculated students are not eligible for federal aid. Students may review alternative loan options at <https://www.newpaltz.edu/financialaid/altfunding.html>
- Students who receive a Federal Pell Grant and will be enrolled part-time for Spring 2026 will be evaluated for Pell Grant eligibility for Winter Session.
