Unsubsidized Loan Request for Dependent Students Without Parental Data

You have submitted a 2025-2026 FAFSA indicating that you are a dependent student for financial aid purposes, but did not include parent information on your FAFSA. Without including parent information, you can only receive an unsubsidized loan if:

- Your parents no longer provide *any* support for the student; or
- Your parents refuse to file the FAFSA on the student's behalf

NOTE: Without parental information on the FAFSA, you will NOT be eligible to receive any federal grants, subsidized loans, need-based grants from SUNY New Paltz, or any federal work-study awards.

STUDENT SECTION:

I attest to the following:

- I have read and understand the statements above.
- I have filed a 2025-2026 FAFSA.
- I support myself and receive no financial support from my parents.

I understand that by not providing my parents' information on my FAFSA, my financial aid award may be less than it would otherwise be. I also understand that unsubsidized loans accrue interest from the time the unsubsidized loan is disbursed until it is paid in full. While I am still attending school at least half-time, I can choose to pay the interest or allow the interest to be added to the principal amount of the loan.
